# DESTINATION MARKETING ORGANIZATION

- Daegu Convention & Visitors Bureau (DCVB) is a not-for-profit organization sponsored by Daegu Metropolitan Government, and it collaborates with Daegu Tourism Association, Daegu Chamber of Commerce & Industry, and other regional organizations and corporations.

Established in 2003, we have promoted Daegu as a convention destination for international events by providing meeting planners and visitors with professional services and information on the city and the industry. We also develop and research the policies on the meeting industry at home and abroad.

With highly-trained staff and management, Daegu CVB is not only doing all the most efforts to offer the best solutions to the success of all the events hosting in the city but also providing quality service and convenience to the visitors.

# ONE-STOP SUPPORT SYSTEM

- From bidding on to hosting an international event, Daegu CVB works closely with companies participating in conventions, EXCO, and the city government to offer a 'One Stop Support System'.

# CONVENTION INFRASTRUCTURES

Shopping malls and the convention center are all in one complex.

The convenient location of EXCO allows great accessibility to Daegu's major facilities.

•• The Daegu International Airport, Dongdaegu Railway Station, shopping malls, restaurants and accommodation, which is exactly what you need for your busy schedule. Take full advantages of the convention complex where social life, information, entertainment, and quality service are waiting for you.

▲ **NC Outlet**

Popular fashion and cosmetics brands are all gathered in one building. The outlet mall is located on the right across the hotel and EXCO, so it is suit for visitors who don't have much time.

▲ **Texvill**

It is a textile shopping mall. As Daegu is well known for producing textile, there are various textile products, such as, Korean traditional clothes, bed sheets, and etc.

▲ **Electronics Mall**

It is one of the biggest malls for electronic products in Korea. There are lots of types of cutting edge electronics, not only domestic brands, but also international brands.

▲ **EXCO**

EXCO, opened in 2001 and remodeled in 2011, is a cutting edge convention and exhibition facility based on Intelligent Building Systems' (IBS) architectural technologies. EXCO has five stories above ground, while extending four levels below. It offers state-of-the-art conference rooms and exhibition halls that accommodate international conferences as well as grand-scale exhibitions.

## ▲ Andong Hahoe Folk Village

● Unlike some artificial tourist areas, Andong areas have continuously preserved their way of life, with families still living in and using the buildings on display. In 1999, Queen Elizabeth II of the U.K. celebrated her 73rd birthday in the village.

## ▲ Hapcheon Haeinsa Temple & *Tripitaka Koreana*

● The crown jewel of Haeinsa is the world renowned *Tripitaka Koreana* which is the collection of Buddhist scriptures carved on more than 80,000 wooden printing blocks. It has been preserved for centuries and is housed in the main structure of this temple.

## ▲ Gyeongju Seokguram Grotto & Bulguksa Temple / Historic Areas / Yangdong Folk Village

● Gyeongju was the capital of the Silla Kingdom (BC 57 - AD 935) for over 1,000 years. Thousands of historic buildings and objects have been maintained well throughout the city, truly making it the "museum without walls." Along with Bulguksa Temple and Seokguram Grotto, the Gyeongju Historic Area was designated as a World Heritage by UNESCO.

# HOW TO GET TO DAEGU

## Convenient and Easy Access

•• Korea's excellent transportation network, which includes domestic airlines, highways and rail service, will make sure that all visitors arrive on time and well prepared. Daegu is located at the center of the southeast region of Korea. The city is about 300km southeast of Seoul. From Seoul Railway Station, visitors can easily take a KTX (Korea Train Express) to Daegu. There is a full schedule of trains and the bullet train runs at the interval of 15 to 30 minutes. It normally takes about 2.5 hours from Incheon International Airport to Dongdaegu Railway Station by KTX directly.

## DAEGU INTERNATIONAL AIRPORT (<http://www.airport.co.kr/daegueng/index.do>)

Daegu International Airport offers international flights for China, and plays a crucial role in connecting Asia. This is another competitive feature of Daegu to be able to hold all sorts of international events.
